All participants must be current J-Town Disc Golf Club members (memberships will be available). Trophies will be handed out based on points for the season. Players will receive 1 point for each person they beat or tie, including themselves, based on handicap scores. Players without ratings will receive 1 point for each week until they establish a rating (3 rated rounds). Scratch score will be used to determine tag distribution. Players may sign up to play this as a PDGA sanctioned league to receive official PDGA ratings and points. League ratings will overwrite PDGA ratings for establishing projected scores. All players are welcome regardless of skill level. You do not need to be a PDGA member to participate.

You will be playing against a projected score calculated from your rating and the course SSA with a 10% improvement factor.
