Handicap Singles will be split into two seasons April-June & July-September. Trophies and prizes will be handed out based on the combination of these seasons. Players will receive 1 point for each person they beat or tie, including themselves, based on handicap scores. Scratch score will be used to determine tag distribution and the days 'Hot Round' payout (~10% of the cash pool).

Handicaps will be based on established course SSAs. You will receive a handicap equal to 80% of the difference between your rating based expected score and the course SSA. Players rated over 1000 will receive no handicap.
