20 Hole USDGC Style Ropes Course

This tournament will decide the IL state representative for the 2014 USDGC Performance Flight. Players must meet all USDGC requirements to qualify. A handicap system similar to the one used at the USDGC will be used to decide the spot. The winner will have 1 week to register for the USDGC before we move on to the next eligible competitor. Please let us know at check-in if you wish to compete for the spot.

Field is limited to 100 players, pre-registration is recommended. Pre-registration options include online at jtowndiscgolf.com or in person at J-Town Handicap Singles League.

Tournament central will be located near hole 1. Please use the parking lots at the rec center entrance. The parking lot near the baseball fields is being used for a different event.
