Scratch score will be used to determine tag distribution and the days 'Hot Round' payout (~10% of the cash pool). Players may sign up to play this as a PDGA sanctioned league to receive official PDGA ratings and points. League ratings will overwrite PDGA ratings for establishing projected scores.

You will be playing against a projected score calculated from your rating and the course SSA with a 10% improvement factor. **The field will be divided into 2 pools: Upper and Lower.** Players with PDGA ratings requiring them to play Advanced or above based on gender or not allowing them to play amateur division for age protected divisions will be able to choose the Upper pool. Upper pool players will be playing against the greater of their league rating or their PDGA rating. Weekly payouts will be seperated based on pool, all other contests will be combined for the entire field.

SCHEDULE 1 WILL BE OUT IN MARCH
